Any group of 5 players from the same school is eligible to sign up for the school championship. Our chief arbiter will make every effort possible to not pair players from the same school team. In order for this to happen, the team captain or a member of the 5 person team must inform us of each player's name who is on the team at least one day before the first round of the tournament. No more and no less than five can make up any team so please choose the team members as you see fit.

We are providing the chess sets and the clocks. Simply sign up and show up! The player must know the basic rules of chess to participate in this event.

IMPORTANT NOTE – READ THIS CAREFULLY

Memberships and the equipment we are using at this tournament were all made possible due to a grant provided by the *DEW Foundation*.

The tournament participants will receive a chess scorebook, participation pin and a chess wristband!

The tournament entry fee is \$50. Pre-registration is extremely important. Please be sure to submit the form one week prior to the tournament start date. A substantial late fee of \$15 applies to all registrants who sign-up after June 3, 2020. +\$25 Onsite. We prefer to prepare the pairings in advance for the tournament participants if possible. If we reach our goal of 115 participants before 6/3/2020 we will pair in advance and possibly close registration at that point. This tournament is **valued at well over \$120.**

Registration is done online at www.ChessKidz.org
