

### Room volunteers needed

ChessKidz would like to ask for your help in providing the after school chess program. We are in need of several classrooms to be able to instruct the children in a traditional classroom setting. There are some perks to allowing us to use your room:

- A chess set is donated to each classroom that signs up
- The room is only needed 1 - 1.5 hours once per week
- Teachers are welcome to stay in the classroom
- Classrooms will be left neater than they were found!
